Vineyard Notes

All the varietals that make up this blend are grown on our estate which is located in the Mokelumne River Sub AVA of the Lodi Appellation. The vineyard is sustainably farmed and certified green under Lodi Rules. All of varietals in this blend were planted in 2014 using a vertical shoot position trellis system. The soil is a well drained, sandy loam. The crop load was thinned prior to veraison and leaves were pull on the north side of the vine to promote healthy clusters. The vineyard is sustainably farmed and certified green under Lodi Rules.
