91 Pts, Gold - 2023 OC Fair Commercial Wine Competition

Tasting Notes

Floral aromas and notes of grapefruit and honeydew melon on the nose. It is a medium-light bodied wine with crisp citrus flavors that lead to a bright finish.

Vineyard Notes

The grapes that went into our 2022 vintage came from our estate grown vineyard, off to the northeast side of our tasting room and it's located in the Mokelumne River Sub AVA. The grapes are sustainably farmed, certified green under Lodi Rules. Trained on VSP trellis system, leaves were pulled and fruit was thinned to maintain quality.

Winemaker Notes

Grapes were hand-picked in the morning and after being brought into the winery, they were gently whole cluster pressed to a temperature controlled stainless steel tank. Later, the juice was racked and fermented cold in a stainless steel tank. After a long cool fermentation, the wine was aged on light lees in stainless steel drums. Prior to bottling it was gently racked and filtered, then held cold until an early bottling in February to maintain freshness and liveliness.
