

2023 Rosé (Grenache)

Lodi, California

OAK FARM
VINEYARDS

Tasting Notes

Presents notes of bright cherry and bubblegum on the nose. Aromas of strawberry, grapefruit and watermelon are found in the mouth, leading to a vibrant and mouthwatering finish.

Vineyard Notes

A single vineyard of Grenache Noir was utilized to create this Rosé. The Lott Vineyard has vines planted in 2019 and the vines are spaced out 8ft by 7ft. The vineyard is orientated from east to west. Trellis system is a VSP (vertical shoot position). The entire vineyard is sustainably farmed and certified green under Lodi Rules.

Winemaker Notes

Grapes were picked early in the morning and brought into the winery and were immediately pressed. The juice had a cold soak and then was inoculated and had a cold and long fermentation. Once fermentation was complete, the wine was racked and held cold until an early bottling in January to maintain freshness and liveliness.
