

# 2025 Tievoli Cabernet Sauvignon

Lodi, California

OAK FARM  
VINEYARDS

## Tasting Notes

This Cabernet Sauvignon offers inviting aromas of ripe red and black fruits with subtle hints of warm baking spices. Fruity and well-balanced, it is structured yet smooth on the palate, with vibrant varietal character and a polished texture. The finish is lingering and pleasant.

## Vineyard Notes

These Cabernet Sauvignon grapes are sourced from the Lodi AVA, including a portion from Oak Farm's Estate property. Planted in sandy loam soils and trained using the VSP system, the vineyards are sustainably farmed and Certified Green under the Lodi Rules program.

## Winemaker Notes

Grapes were hand-picked early in the morning and then gently hand-sorted and destemmed into a temperature-controlled stainless steel tank for primary fermentation, managed with regular pump-overs to ensure optimal extraction. After fermentation, the wine was pressed and transferred into French oak barrels, where it aged for approximately 10 months before being bottled.
