WINE HOST BIO

Dan Panella, Co-Owner of Oak Farm Vineyards

As a third generation American farmer, agriculture has always been a passion for Dan. He got his first start in farming by riding a tractor in the family's cherry and walnut orchards, so it was only a matter of time before he found himself farming grapes. Under the training of a highly regarded winemaker, Dan has been able to grow in the art of winemaking; the fusion of agriculture and art that has allowed him to be creative and allow the grapes to show their strengths.
